4 January 2019

Dear Douglas

I am delighted to support your proposed new paths project which will connect with your current 2.5 km path network.

These new paths will be another good attraction for visitors as they will open up access to the Cormonachan Waterfalls and Upper Cormonachan old village, also create a new circular walk via the forest road to the west side of the woodlands and to a new car park by the road side.

I'm sure this new project will prove to be a great tourist attraction and let visitors see more of this ancient woodland which the Association has done much to conserve..

I hope that your efforts will meet with success.

Yours sincerely

*Alan Reid*
