Douglas Locke
Secretary
Cormonachan Woodlands Association

Dear Douglas

Support of Cormonachan Woodlands Association & Upper Cormonachan Path Project

I am writing following our recent correspondence regarding the extension of the path network around the local area.

Argyll Holidays would be happy to support all improvements to the path network as the woodland and surrounding area boast stunning views of Lochgoilhead and Carrick Castle. Making the area more accessible to include the waterfalls is a fantastic idea and we would be happy to support this going forward.

We promote local walks in the area to our owners and holidaymakers and it can only be a good thing if these are improved and extended giving more enjoyment of the great outdoors that we have here on our doorstep.

Please keep me updated on your progress with the project.

Yours sincerely

Allan Campbell
Director
