Dear Douglas

### **Cormonochan Woodlands Association**

I am writing on behalf of the Community Woodlands Association to offer our support for your proposals to create 2 km of new paths and a new car park in Cormonochan Community Woodlands.

This path will open up access to the Cormonochan Waterfalls and Upper Cormonochan old village and create a new circular walk via the forest road to the west side of the woodlands, so will be an excellent facility for visitors, building on your already excellent work, including the opening earlier this year of the Red Squirrel Hide and the Contemplation Shelter.

Please let us know if there is anything we can do to support you with this project which will be a great local tourist attraction and will help contribute to the conservation of our ancient semi natural woodlands.

Yours sincerely

Jon Hollingdale  
CEO
