To whom it may concern

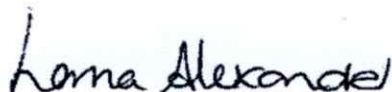

I write this letter of support for Cormonachan Community Woodland on behalf of two walking groups in the village of Lochgoilhead.

As local groups we support the need for the Woodland to apply for funding to keep upgrading as well as keeping the woodland walks that are already established safe and in good condition.

The first group is a walking group held every Tuesday of the year. This was set up in 2011 to get more vulnerable and disabled persons of the village to get out and have some social contact. We walk small walks as some need sticks, zimmers or wheelchairs. Cormonachan Woodland is a perfect place for us to visit.

The second group is called Rambling through the Goil. This is a bigger group and we would and do use the woodland for our walking, we can incorporate the paths that are already established to join onto other walks and with the funding for the Woodland their paths will be able to be upgraded and expanded which would give us more options for our local group .

Kind regards

Lorna Alexander
