

Letter of support

The Lodge on Loch Goil

Dear Sir

This is a Letter of Support for the "Cormonachan Woodlands Association"
In support of the Upper Cormonachan Path Project.

The Lodge is a 5 star exclusive use venue, and have been trading for over 22 years.
We are giving our total support to the project being planned carefully by the Cormonachan
Community Woodlands.

By extending the woodlands paths this an advantage of connecting these paths to The
forest road above the woodlands that allow people to walk to and from Lochgoilhead and
eventually to Carrick Castle.

So many people have said for many years they would love to be able to go to the
waterfalls and see the old village but could not make the long walk.

The Lodge on Loch Goil would also like to have the waterfalls accessible as a tourist
attraction, the reason being we have many guests from the UK and over seas who stay
with us, totally love the outdoors and would love this project to be completed.

Yours sincerely
