Dear Douglas

Letter of support

Thank you for your email dated 28/01/21.

Paths for All is a national charity which aims to significantly increase the number of people who choose to walk in Scotland. We work to create more opportunities and better environments, not just for walking, but also for cycling and other activities, to help make Scotland a more active, more prosperous, greener country.

Paths for All are happy to support the development and delivery of the Upper Cormonachan Paths Project

We wish the Cormonachan Community Woodlands every success with the project and are happy to continue to offer you whatever advice and support we can.

Yours sincerely

Rona Gibb
