

The Shore House

8 March 2019

Douglas Locke, Secretary
Cormonachan Woodlands Association

Dear Douglas

I am writing to you to express our support for the continued endeavours of the Cormonachan Woodlands Association and the much anticipated next phase of the Upper Cormonachan Path Project.

Our business, the Shore House Lochside Guesthouse, is proud to be able to endorse the wonderful natural facility that you and your dedicated team have enhanced and developed for the good of the local community and the enjoyment of our many visitors and future generations. It is essential that the Cormonachan Woodlands project is strongly supported to bring to fruition the planned extension of the Upper Cormonachan path network and increased accessibility to this superb natural facility.

We wish you every success in securing the necessary funding and backing for the next phase of the Cormonachan Woodlands and we will certainly continue to promote this outstanding local wildlife haven to our many guests throughout the year.

Kind regards

Gillian & Mark
